

Remarks

Claims 14 - 29 are pending. The specification has been amended to correct minor errors in English and numerical usage and to insert headings and subheadings recommended by the United States Patent and Trademark Office. The claims have been amended to place them into U.S. format and to eliminate multiple and multiple-multiple dependent claims. An Abstract has been added. None of the amendments raise any issue of new matter. Early favorable consideration is respectfully requested.

Respectfully submitted,
Christian Herzig et al.
